Part I: Brainstorming, Outline and Essay:

Write a well-organized essay to discuss the negative influences of computers.

Before writing down the article, please jot down as many ideas about the topic as you can. Then prepare a simple outline of your essay.

In this section, you need to finish three things:

- (1) Brainstorming (10%)
- (2) Outline (10%)
- (3) Essay (40%)

Part II: Essay Task

1. Instructions: Some argue that students should stay in their own country and study. Others argue that studying in the United States is more beneficial. Discuss the advantages of each situation, and explain which you think is better. Please include the following three parts in your essay: 1) an introduction that contains a clear thesis statement, 2) body paragraphs that develop and support your thesis with reasons, facts, and/or examples, and 3) a conclusion that summarizes your main points.
